Removal of infrastructural bottlenecks

3338. SHRI RAMDAS AGARWAL: SHRI SATISH AGARWAL:

Will the Minister of COMMERCE be pleased to state:

(a) whether Government plan to remove infrastructural bottlenecks for exports to achieve exports worth US $100 billion by the end of the Ninth Plan period as reported in the Indian Express, New Delhi dated 14th August, 1996;

(b) the suggestions/decisions taken at the 16th Board of Trade meeting held recently in New Delhi to achieve a minimum export growth of 25 per cent by India, annually; and

(c) whether Government have till date taken any decision at the said meeting on FICCI's suggestions for greater financial support for export sectors such as gems and jewellery and textiles which are not constrained by infrastructural bottlenecks?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI BOLLA BULLI RAMAIAH): (a) to (c) Government is engaged in the continuous upgradation of export infrastructure. The Ministry of Commerce acts in co-ordination with the other Ministries, Departments and agencies for the purpose. Standing Committees on Promotion of Exports (SCOPE) in respect of air cargo (SCOPE-AIR) and sea borne cargo (SCOPE-SHIPPING) are functioning in the Ministry. These help to resolve constraints encountered in export transportation and to advise on long term strengthening of infrastructure. The Ministry of Surface Transport is upgrading the port infrastructure. Inland Container Depots (ICDs) and Container Freight Stations (CFSs) are being established in various parts of the country to facilitate container transportation of goods and intermodal conveyance. An Inter-Ministrial Committee accords

signle-window clearance for establishing these ICDs and CFSs. An Open Sky Policy has been adopted to permit uninterrupted clearance of air cargo. Private initiative is being harnessed in creating infrastructure at ports, airports, in upgrading highways and in setting up of ICDs/CFSs, warehouses, etc.

In the meeting of the Board of Trade held on 13.8.1996 in Delhi various suggestions including need for improved infrastructural facilities, cheaper and adequate export credit, higher incentives for value added exports, etc., were made in order to realise an annual export growth target of 25% and to raise the country's exports to US $ 100 million by the year 2002. On behalf of the Reserve Bank of India, the arangements for flow of export credit to various sectors were explained. Export growth target have been proposed for each of these sectors including gems, jewellery and textiles and input support is provided in relation to these targets.
